### **Important points regarding usage of the virtual IOC**

---

- The copyrights for distributed content belong to the 9th International Orthodontic Congress and the authors.
- Viewers of this website agree to the protection of those copyrights.
- Based on the stipulations concerning copyrights, any unauthorized usage of the content of presentations (denoting the sale or distribution of content reproduced for commercial use) is strictly prohibited, regardless of whether the method used for distribution is electronic or paper-based in nature.
- Viewers shall agree to be held personally responsible for compensation in cases where any damages are incurred as a result of their own wrongful usage of content contained on this website.

---

Agreement on your attendance at the 9th International Orthodontic Congress jointly held with the 12th Asian Pacific Orthodontic Conference and the 79th Annual Meeting of the Japanese Orthodontic Society)

---

At the 9th International Orthodontic Congress (hereinafter referred to as “9th IOC”), the 12th Asian Pacific Orthodontic Conference (hereinafter referred to as the “12th APOC”) and the 79th Annual Meeting of the Japanese Orthodontic Society (hereinafter referred to as the “79th JOS”), we will take all possible security measures, but please join the Virtual Congress after agreeing to the following. You cannot enter without agreement.

We would appreciate your understanding and cooperation.

1. Photographs, screenshots, video recordings, recordings, and printings are prohibited of distributed data related to the 9th IOC, the 12th APOC and the 79th JOS.
2. The copyright of all content on this site belongs to the author (presenter).  
Under Copyright law and related laws and treaties, unauthorized duplication, reproduction, transmission, broadcasting, distribution, lending, translation, or modification of any or all of the content on this site, without prior permission, beyond the explicitly permitted range, such as for private use, constitutes copyright infringement and may be subject to legal punishment. For this reason, it is prohibited to use a part or all of the content for reproduction, transmission, distribution, printing, etc. for the use of a third person without permission from the organizer and the copyright holder.
